

Casting for Labyrinth Outreach Performances

Please review the schedule and turn in the attached Commitment Form. Thanks for your cooperation and teamwork in making Life in a Labyrinth a success.

We have tried to accommodate your requests as much as possible. It was difficult to work with everyone's schedules, make sure we have enough dancers to make the shows work, and try to give everyone an equal amount of performances. After receiving everyone's Commitment Form, we will send home a final copy of the schedule which will include addresses of the locations, etc. ****If there is a 'Maybe' on one of your shows, we hope that you will perform on that date. Please speak to Stephanie or Allee.

RUBIES AND PIXIES:

For the Outreach Shows, Rubies and Pixies have the option of performing at their Elementary school (or their siblings' or cousins'). They will only have a small part and will not be performing their dances. It will be fun to show their classmates that they are in the production and will be a fun chance to be on stage. Many of you did not turn in your forms, please let us know if you would like to perform at a certain school.
