Full Run-Throughs and Dress Rehearsals: These allow the students to become familiar with the show order, theater surroundings, costumes, and being on stage. Lighting, music cues, set changes, and all other logistics for an organized and professional performance are rehearsed. We run organized and timely rehearsals and your help with the process will guarantee a professional and pleasant production.

Video and Photography: Parents may videotape or shoot photographs of their children at the Dress Rehearsals. No video or flash photography will be allowed in the theater during performances.

Practice! Practice! Practice!

Students are encouraged to rehearse their recital dances at home. A CD with your child's music is available for \$5. Order forms are at the front desk. Also, if preferred, you can come to class and video the dances. This would give you a great rehearsal aid at home.

COSTUMES

Hair and Makeup: Required hairstyles will be sent home with the costumes. Makeup is required for the Stage Dress Rehearsal and for the Performances. It is optional for the Photo Shoot/Dress Rehearsal. Eyes: Black Mascara, brown eye shadow and eyeliner. Cheeks & Lips: Red blush and lipstick (browns look black on stage). More details will be with the costume.

Distribution: Costumes will be distributed only after all outstanding balances for the season (including tuition) are paid in full. We are planning on passing out the costumes in class or rehearsals the week prior to the Photo Shoot Dress Rehearsal. Along with your costume, you will receive written details to hair, tights, and shoe requirements. To avoid any problems, do not allow children to wear costumes outside of the Dress Rehearsals and Performances.

**PUT YOUR NAME
IN ALL COSTUMES, SHOES,
TIGHTS, & ACCESSORIES**

Tights, Shoes, and Camisoles: Required tights and shoes are posted at the studio and will also be sent home with the Costume Instructions. If you do not own the required shoes, please talk with us about the possibility of borrowing some. Tights need to be in great repair with no holes or stains. Ballet shoes need to be clean, with elastics sewn. Tap shoe ribbons should be replaced with a piece of black elastic sewn together, avoiding untied shoes during performances. Older students who have costume changes are recommended to wear a flesh colored camisole leotard under their costumes. This allows them to make quick changes in the shared dressing room. If you have any questions, please ask us!
